

Announcing the Virtual Run to Commemorate the First Tokyo Legacy Half Marathon!!
Virtual Tokyo Legacy Half Marathon 2022
Accepting Applications Starting Friday, July 22

To help generate momentum for the first ever Tokyo Legacy Half Marathon 2022, an event that will be held on Sunday, October 16, the Tokyo Marathon Foundation will be holding a virtual run and other related events.

For the one-month period from Saturday, October 1 to Monday, October 31, 2022, we will be conducting the "Virtual Tokyo Legacy Half Marathon 2022," in which people around the world can participate using a running app.

We will also be holding related events: two days before the marathon on Friday, October 14, we will be organizing a night relay, and on Saturday, October 15, the day before the marathon, there will be a 100-meter run open to participants as young as elementary school students!

Why not make this autumn a season of sport, taking part virtually or at the Japan National Stadium with family members and fellow runners?

① **Virtual Tokyo Legacy Half Marathon 2022**

During the event period, anyone around the world can participate in a virtual running event using a running app. Take advantage of this opportunity to further motivate yourself to run by trying to boost your position in the rankings and earn a digital finisher certificate!
